Pediatric Associates of Northern Colorado(formerly "Pediatric Associates of Fort Collins") is recruiting a board certified Pediatrician to join their well-established, successful practice in Fort Collins, Colorado. Do you want a healthy balance between your professional career and your

personal life? Do you want to work with a professional, energetic group that is embarking on an exciting expansion to a newly designed stylish facility in a prime location? If so, this may be the perfect career choice for you.

The practice was founded 35 years ago and has a fantastic reputation for personalized, reliable, knowledgeable and friendly care. Dr. Markley has been with the group for 13 years and is purchasing the practice in February 2012.

The practice will be moving this summer to a larger more centrally located site to accommodate our growth. An extensive marketing campaign will coincide with the move. We are currently rebranding the practice and the new logo / website will go live on March 1st. As we look to expand, we will be focused on incorporating technology to improve efficiencies for patient care and operational management. The practice currently uses Amazing Charts EMR and we have a VPN connection from home for secure access to our network. We use smart phones as pagers and plan to transition to tablets for office use.

The practice currently consists of 3 MD's and one PNP with a plan to grow to a 4 MD/2 PNP practice in the next 1-2 years.

Summary:

- Work 24-32 hours a week.
- Currently 1 in 3 call which tends to be light. Rounding once daily at **one** nearby hospital which has been awarded many top 100 hospital awards from nursing, technology, quality of care, etc....
- We have a level 3 NICU with a fantastic Neonatology service. We take care of Level 1 babies, rarely level 2. Occasional C-section attendance.
- See between 15-22 patients per day.
- We offer a competitive benefits package: health care benefits, 401K with matching funds, life insurance, malpractice insurance, cell phone cost and CME allowance.
- We have a wonderful group of experienced nurses and admin staff that nurture a friendly work environment. We are known for our personalized care.
- Located in beautiful Fort Collins. Rated in many popular magazines as one of the best places to live in the U.S. Great schools, a local university and a wonderful family friendly community. Great access to outdoor sports and activities.

Position: Pediatric PA or NP

Pediatric Partners of the Southwest (PPSW) is a physician-owned pediatric practice in Durango, CO serving the Four Corners region. We currently have eight board certified pediatricians, one pediatric nurse-practitioner, and 15 other employees. Our financially thriving practice serves southwest Colorado and northern New Mexico. PPSW has been providing primary care to the children in Durango since the group was formed five years ago, although many of our providers have been serving the community for longer. Collectively, our nine providers have been in this community for more than 90 years. We are looking for a full time pediatric physician assistant or pediatric nurse practitioner to join our eight board certified pediatricians and one pediatric nurse-practitioner. PPSW provides basic preventative and comprehensive medical care for babies, children, adolescents and young adults from birth to age twenty-five. In addition, we provide behavioral health and developmental screening, care for minor acute illness and injuries, and provide an EMR supported medical home for children with more complex medical needs. The practice has a mental health provider embedded in the clinic and available for family support. Our community is supported by two child psychiatrists. We also have a nurse medical navigator to assist with care coordination for medically fragile children and at risk families.

Our offices are both located on the Animas River bike path in Durango, CO. Our primary care services carry over to our local hospital, where we serve as regional hospitalists. There are no hospital responsibilities for our mid-level. Visiting specialists include pediatric GI, Pediatric urology, pediatric pulmonology, pediatric neurology, pediatric rehab, pediatric orthopedics, and pediatric genetics. Local pediatric specialists include a PPSW pediatric cardiologist and a local pediatric hematologist/oncologist.

Our practice is privately owned and financially flourishing. We are committed to our mission of serving all children in our community. Our practice demographics reflect our resort community insurance: 30% Medicaid, 12% CHP+ (SCHIP), 10% self-pay, and the balance private insurance. We are active members of CCHAP affiliated with The Children's Hospital. We are a close group of providers who love pediatrics and our time off with our families and outdoor adventures. We have a generous benefits package that includes six weeks of annual vacation, HSA health insurance, 401K match, and profit sharing. Guaranteed first year salary with malpractice coverage and potential bonus.
