## EMERGENCY NURSING PEDIATRIC COURSE (ENPC) PROVIDER COURSE Conference Center, Children's Hospital Colorado

### 2012 Course Dates

March 6-7 · May 22-23 · September 24-25

### Overview and Target Audience

The ENPC course is designed by the Emergency Nurses Association to teach core level knowledge and psychomotor skills associated with the delivery of pediatric nursing care to trauma and critically ill patients. Participants will be required to test in 2 psychomotor skills stations and complete a multiple choice written exam. Upon successful completion of the course participants will receive a verification card valid for 4 years.

### Objectives

- Demonstrate knowledge of pathophysiology as a focus for the signs and symptoms of injury for a pediatric patient.
- Demonstrate appropriate psychomotor skills related to the care of an ill or injured pediatric patient including airway management, spinal immobilization and resuscitation of the pediatric patient.

### Faculty

ENA ® certified instructors who practice full-time in pediatric emergency; critical care and transport settings facilitate the course.

### Continuing Education

15.33 contact hours are awarded by the Emergency Nurses Association for course completion.

### Course Fee

Children's Colorado Employee – No Fee  
Non-Children's Colorado Employee - \$200  
ENPC 3<sup>rd</sup> Edition textbook - \$50

### Cancellation and Attendance Policies:

Registration fees will be fully refunded if a cancellation is received within three weeks of the course. 50 percent will be refunded up to one week prior to the course, provided a substitute can be found. **No refunds will be given after that time or for non-attendance.**

Attendance at all lectures and stations is required. **Completion will not be granted for late arrival or significant absence during any part of the course.**

### Agenda

<u>Day one</u>	<u>Day two</u>
8am-5pm	8am-5pm
