Celebrating Nursing's Spirit of Inquiry

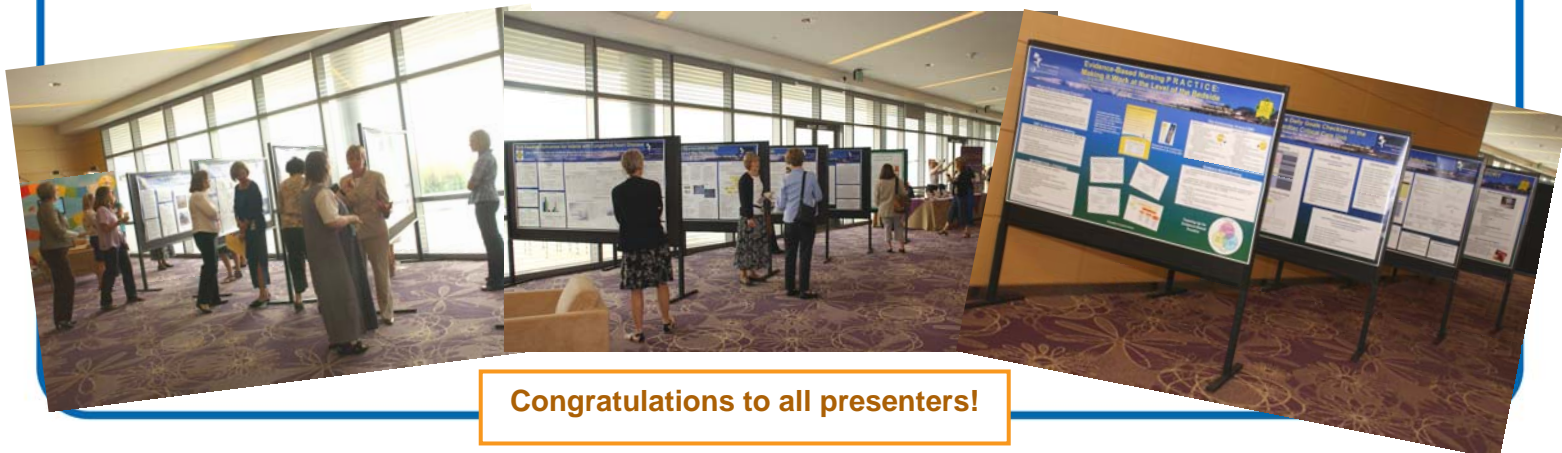

1st Annual Research and Evidence-Based Practice Poster Fair

On September 17th, The Children's Hospital Nursing Research and Evidence-Based Practice Council showcased 32 posters featuring work in clinical practice, education, research, and quality improvement. Posters represented all disciplines and departments where a nurse was the principal investigator or project leader. The Fair was held in collaboration with the 18th Annual O'Neil Pediatric Clinical Update Conference and drew participants from across Colorado, Nebraska, South Dakota, and Utah.
