Red/Orange/Yellow Balloon Sponsors

DENVER HEALTH
 PARAMEDIC DIVISION

Additional Sponsors/Vendors

Emergency
 Medical
 Services

Porter, Littleton and Parker
 Adventist Hospitals
 Centura Health.

Important Information

Purpose

The purpose of this conference is to provide exceptional pediatric continuing education to Emergency Medical Services personnel on a variety of topics taught by experts. Target audience includes EMT-B, EMT-I, EMT-P, CCEMT-P and FP-C personnel.

PALS Renewal Course Option

0800-1300 Saturday. First-come, first-served. Space is limited and will fill quickly. Confirmation will be given within 7 days of registration by email/phone.

Continuing Education Credit

Each day (Thursday and Friday) of the conference offers a minimum of 7 hours continuing education in the area of OB and Pediatrics. We have designed each day of the conference to offer both mandatory and flexible content according to National Registry guidelines. Afternoon break-out sessions offer participants a way to obtain the specific continuing education hours needed.

Only EMS Continuing Education hours are offered at this conference. We deliberately do not obtain nursing contact/education hours since The Children's Hospital offers multiple conferences for nursing CE every year. This allows our lecturers to focus on the prehospital care of children by EMTs and Paramedics.

Location and Parking

The conference will be held at The Children's Hospital, Main Campus (I-225 and Colfax Avenue), 2nd Floor Conference Center. Exact address is 13123 E. 16th Avenue, Aurora, CO. Participants may be directed to park in an overflow lot. Otherwise, parking is permissible in the Family/Visitor Parking Structure at the front of the hospital. **Please check your email for updates!** Also, there are 4 overflow ambulance parking spots just north of the Ambulance Bay that can be used for EMS agency/organization/company vehicles.

Lodging Recommendations

Contact: haley-andrews.stephanie@tchden.org

Scholarships

Thanks to generous support and grant funding from the Colorado Department of Public Health and Environment, Emergency Medical Services for Children (EMSC) Program, one full-ride (travel, accommodations, expenses) scholarship per Colorado RETAC is available to attend this conference (both days, plus PALS-Renewal). Participants from western Colorado RETACs have the option to fly versus drive to our location. These scholarship recipients will be provided with all conference media, content and additional resources to take back to their RETAC, similar to a "train the trainer" concept. If you are interested in a RETAC Scholarship, please contact the conference organizer for details: haley-andrews.stephanie@tchden.org

Additional non-RETAC scholarships for conference and PALS-Renewal registration fees are available (first-come, first-served basis). Submit letter of request with registration form. Recipients will be notified by email or phone within 7 days of submission.

Acknowledgements

I get by with a little help from my friends.

Many thanks to Joe Darmofal NREMT-P, from our Premiere/Balloon Boy Sponsor, Pridemark Paramedic Services LLC, for sponsoring and/or assigning the conference CE hours.

Many thanks to Dave Bressler for the scholarship idea (Happy EMS Week, everyone!), Lisa Ward of EMSC for making it happen, Rappaport/Mandtr/Stiles for not micromanaging, Harner/Wagner for PALS, Dush for finding us, Wifall for wanting to help solve a serious problem, Cloutre/Blumen/Dunn/Dunn/Kotas for everything, and all of our fantastic sponsors for their interest and support.

The Children's Hospital, the Regional Level 1 Pediatric Trauma Center, has been ranked for more than a decade as one of the top ten children's hospitals nationally in *U.S. News & World Report*.

The Children's Hospital is a private, not-for-profit pediatric healthcare network dedicated 100% to caring for infants and children. With more than 1,200 pediatric specialists, TCH is home to a number of nationally and internationally recognized medical programs.
