Children's Hospital Colorado Dietetic Internship

Affiliated with the University of Colorado and University of Colorado Hospital

All applicants to the Children's Hospital Dietetic Internship must complete the following short-answer questions and submit to the program with their cover letter and application fee. (Please note the answers are limited to 600 characters without spaces, not words.) Absence of this supplementary material will exclude applicant from consideration for this program. It is the responsibility of the applicant to ensure that all materials are sent and received by the program by the application deadline in the year for which they are applying.

Short-answer Question #1:

Please discuss why you are choosing your specified concentration area. The concentration areas offered through our program are Pediatrics and Adult Acute Care.

Limit 600 characters without spaces (not words)

Short-answer Question #2:

Please describe why you are applying to the Children's Hospital Colorado Dietetic Internship.

Limit 600 characters without spaces (not words)

Short-answer Question #3:

Please tell us something about yourself that sets you apart from other applicants that is not already included in the application materials.

Limit 600 characters without spaces (not words)
