Private Practice
Job Opportunity List

This list is provided by Children’s Hospital Colorado as a service to community pediatric offices. Please contact the practices directly regarding their openings. For updates regarding this list please contact Physician Relations at (720) 777-6676 or email physicianrelations@childrenscolorado.org. This list can also be found online at: http://www.childrenscolorado.org/health-professionals/clinical-resources/private-practice-jobs/.

Pediatric Virtual Urgent Care Provided by Children’s Colorado Locum Tenens Physicians

The Children’s Colorado After-Hours Virtual Urgent Care Locum Tenens pediatricians provide low acuity, urgent care via telemedicine services from 5 p.m. – 12 a.m., Monday through Friday and 10 a.m. – 8 p.m. on Saturday, Sunday, and holidays.

Experience delivering pediatric care via Telemedicine and/or in an Urgent Care setting are preferred but not required. Training will be provided. After training, this service will be provided remotely from your home. The ideal candidate will be a pediatrician with three years post-residency experience who is willing to commit to a consistent schedule.

Physicians will be employed as independent contractors, receive generous hourly compensation, malpractice insurance and are credentialed/privileged through Children’s Hospital Colorado. If you’re interested, please send your CV to locumtenens@childrenscolorado.org.

Pediatric Locum Tenens Physicians

The Children’s Hospital Colorado Locum Tenens Service provides short term, outpatient pediatric care coverage in private practices throughout Colorado and Wyoming. Through this program, pediatricians have the freedom and flexibility to accept or refuse any assignments offered as there are no required or promised number of shifts. Locum Tenens pediatricians receive generous hourly compensation, reimbursement for travel expenses, if necessary, malpractice insurance and are credentialed through Children’s Hospital Colorado. Locum Tenens is perfect if you’re looking to work PRN or if you want to experience a variety of practices before making a long-term commitment. If you’re interested, please send your CV to locumtenens@childrenscolorado.org.
Metro Denver Openings:

Advanced Pediatric Associates, LLP  
Aurora, CO  
Email: HR@advanced-pediatrics.com  
Website: www.AdvancedPediatricAssociates.com  
Position: Part-Time Telephone Triage Nurse  
Description

Will be responsible for assessing and classifying patients to determine appropriate medical needs and urgency of care. Carry out telephone triage responsibilities based on established APA medical guidelines, nursing process and ClearTriage Systems telephone protocols. Adhere to APA EMR guidelines.

Please note: this is not a remote work from home position. Candidates will be working from our Administrative office located in Aurora (Parker Rd & I-225).

Duties:  
• Provide telephone triage care to patients utilizing nursing process and standard protocols.  
• Schedule appointments when needed according to scheduling guidelines.  
• Effectively use computer to accurately document all triage calls, prescription refill, and prior-authorization requests.  
• Accurately calculate medication dosage.  
• Collaborate with providers to ensure excellent care.  
• Communicate effectively with providers, patients, parents, APA team members and representatives from hospitals.  
• Provide clear, concise instructions to patients and families regarding treatment plans and use and purpose of medication and prescriptions.  
• Completely and accurately document all triage calls and note protocol used; follow up on medically concerning calls.

Requirements  
• Associates Degree in Nursing required, BSN preferred  
• Current Colorado RN license required  
• CPR certification required  
• Minimum of one-year professional nursing experience, preferably in pediatrics  
• Previous telephone triage experience preferred  
• Knowledge of professional nursing theory and practice.  
• Ability to react calmly and effectively in emergency situations.

Benefits:  
• Weekends Off (occasionally work up to 4 hours on a Saturday)  
• Evenings Off  
• Paid Time Off (PTO) & Extended Illness Bank (EIB), begins accruing on date of hire  
• 401(k)  
• Benefits including medical, dental, vision, life insurance, accident insurance, LTD (eligible employees scheduled to regularly work 24-40 hours per week)  
• A professional and family-friendly environment.  
• We offer a sign on bonus for this position

Advanced Pediatric Associates, LLP
Aurora, Centennial, Parker Aurora CO
Email: HR@advanced-pediatrics.com
Website: www.AdvancedPediatricAssociates.com
Position: Business Physician

Description
Advanced Pediatric Associates is seeking a Physician who is directly responsible for treating all types of infectious childhood diseases, conditions and chronic illnesses and is expected to be able to provide diagnosis based on visual and auditory indicators due to the different developmental growth stages of our patient population. The ideal candidate must be a positive, experienced, responsible individual who is committed to providing expertise to our busy practice.

This position may work at our Aurora, Centennial or Parker office.

With over 45 years of experience, APA has taken special care to develop the services parents need in caring for their children as they grow. Our provider staff consists of physicians, nurse practitioners and physician assistants who specialize in providing pediatric care for children from infancy through adolescence. We strive to foster a caring partnership with families. Our goal is to provide a "medical home" to our patients, where families can expect compassionate and comprehensive pediatric care, convenient access to quality after-hours advice, and professional coordination of care between our providers and community specialists and services.

Our Nurse Line has set the gold standard for providing pediatric triage to families and has been recognized as a model for others in the local pediatric community. Advanced Pediatrics has been a leader in implementing an electronic medical records system (EMR). We value our patients’ time and do our very best to minimize wait times. Our care coordinators utilize a sophisticated scheduling system that gives our providers the necessary time to see patients based on the patient’s medical needs. To consistently provide the most advanced care to our patients, our clinical committee meets regularly to review the latest advancements in pediatric care. We highly value and support CME for our providers and staff. Our providers have a close relationship with specialists and staff at Children’s Hospital Colorado and participate in the University of Colorado Health Sciences Center pediatric teaching program.

Requirements
Qualified candidates must:
- Current Colorado Medical License
- Federal Drug Enforcement Administration number
- Current certification from the American Board of Pediatrics
- Current National Certification
- Experience preferred with pediatric patients
- Current CPR or PALS certification
- Spanish speaking a plus

Benefits:
- Paid time off
- CME
- Extended Illness Bank
- 401(k) with match
- Dental insurance
• Health insurance
• Vision Insurance
• Accident Insurance
• Life insurance, Long Term Disability

**Position:** Pediatric Nurse Practitioner or Pediatric Physician Assistant

Denver Pediatrics is currently looking for an enthusiastic and energetic Pediatric Nurse Practitioner or Pediatric Physician Assistant to join our dedicated team for a part time opening for 1 to 2 days a week. We are a small and busy Pediatric practice with over 38 years of experience in providing advanced personalized pediatric care in Thornton. Our patients and families do expect compassionate and comprehensive medical services within our office Monday through Friday and in-hospital newborn care at North Suburban Hospital.

Our staff loves taking care of patients and families. Our goal is to provide a warm and inviting environment and maintain the highest possible standard of care through ongoing education, quality improvement programs and positive change in workflow systems and evidence-based practice. Denver Pediatrics is devoted to preventive care. Well visits need to be a memorable, special and educational event. We welcome complex medical, social, developmental and psychological cases. We foster and exhibit a healthy, active lifestyle.

The practice utilizes the Epic EMR system through PedsConnect supported by Children’s Hospital. Our providers are dedicated to delivering cost-effective, quality of care that is accessible to all our patients by applying AAP best practices as well as forming collaborative partnerships with Children’s Hospital.

Denver Pediatrics also participates in the clinical training of the Medical Students within our office.

CVs can be emailed to Denverpediatrics@aol.com or faxed to 303-920-4000.

Position: Medical Director

The Medical Director is responsible for leading Kids First Health Care’s clinic program to ensure delivery of high-quality pediatric services. The position is a combined clinical and administrative position with a primary focus on clinical care and oversight of staff responsible for clinic operations. The position provides leadership and guidance of all dimensions of clinical activities to ensure accomplishment of clinical objectives. The Medical Director is responsible for driving continuous quality improvement, integrated services and application of evidence-based clinical practices. The Medical Director also plays a key role on Kids First’s Executive Team to support excellence and efficiency throughout the agency.

Duties and responsibilities

1. Leadership and Administration
   - Emulate and promote the values of Kids First and the associated behaviors.
   - Ability to lead people in a clinical setting through coaching, mentorship, and ongoing support.
   - Work collaboratively with agency leadership to achieve strategic goals.
   - Participate in agency strategic planning and develop aligned annual work plan.
   - Participate in Leadership Team meetings.
   - Collaborate with supervisor to demonstrate progress and success in meeting work plan metrics in the expected timeframe.
   - Work collaboratively with direct reports to maintain clinic operations, develop and implement models of care, evaluate patient outcomes and achieve metrics of success.
   - Participate in review of annual program budget with Director of Administration and Finance and Clinic Management Team.

2. Clinic Operations
   - Promote and advance integrated and culturally responsive services throughout Kids First Health Care to best support patients.
   - Maintain knowledge of current research and evidence-based practice.
   - Oversee and schedule clinically related training with support from clinic management team.
   - Oversee development and implementation of policies and procedures for evidence based clinical practices. Ensure clinical staff knowledge of policies and procedures and placement in an easy-to-reference format.
   - Promote consistency and best practices that enhance clinical quality and efficiency and minimizes variation across clinical sites.
   - Oversee Lead Behavioral Health Professional and promotes an integrated care model.
   - Oversee behavioral health and dental health integration.
   - Support the clinic management team in clinical quality improvement efforts and demonstrates improvement.
   - Support clinical teams, facilitate clinical discussions and decision making and participate in medical home model management of medically complex patients.
   - Approximately 20-30 hours or 25% (monthly) of direct patient care to include accurate physical examinations, evaluations, diagnosis, treatment, follow up, consultation and coordination of patient care.
   - Assess the roles and responsibilities of clinical team members, including opportunities for personal, clinical, or site improvement.
• Oversee and support Clinic Manager for clinic incidents.
• Support Clinical Operations Manager and Assistant Medical Director compliance with clinical standards (i.e.: CLIA waived testing, Medicaid requirements, etc.) and reporting (statistics, state requirements, etc.).
• Other projects as identified with Executive Director.

3. Management
• Attend weekly clinic management meetings and weekly clinic all staff meetings.
• Manage Clinicians and Clinical Leadership Team including reviews, support, training opportunities, hiring and termination.
• Consult and support medical policies and procedures for Westminster Public Schools and Adams 14 school nurses.
• Inform clinical grant proposals and grant performance measures.
• Work with team members to set data metrics, compliance expectations and ensure accomplishment of clinic performance objectives.
• Inform Revenue Cycle policies and procedures to promote efficient, cost effective medical care.
• Collaborate with Clinic Quality Manager, Clinic Management Team and Director of Community Outreach on Care Coordination and Patient Engagement.
• Support other projects as identified with Executive Director.

4. Communication
• Provide ongoing feedback on operational performance to Executive Director and other senior leadership.
• Encourage good communication and teamwork across clinical and administrative teams.
• Represent Kids First knowledgeably and professionally to internal and external audiences.

Qualifications
Minimum Qualifications
• Active Colorado License and Board Certification
• Valid license/DEA registration in Kids First’s jurisdiction
• Current CPR/BLS certification

Position: Triage/Coordinator position
Park View Pediatrics is looking to fill a Triage/Coordinator position. The position is full time, Monday – Friday, for a 4 provider office.

Pediatric phone triage experience, excellent organizational skills and a team player is necessary to be successful in this position. 1 year minimum experience in a Pediatric office. LPN is preferred. Epic computer system experience and knowledge of VFC is a plus. Part time back office work is also part of the job expectations.

We use the Clear Triage program for assistance as well as a supportive Provider team. Referrals, authorizations, lead level reporting and forms are completed by the position.

The position also cross trains to help the Medical Assistance with patient care.

We offer a competitive salary based on experience, vacation pay, health, dental and vision insurance and 401K.

If you meet the qualifications and are interested in working in a team-oriented environment, please send your resume to terrie@pvpedsco.com.

PediaClinic Convenient Care/Urgent Care
9555 S University Blvd, #102
Highlands Ranch, CO 80126
Contact: Nicole Primero
Phone: 303 302 3879
Email: info@pediaclinic.net
Website: https://PediaClinic.Net
Position: Pediatric Nurse Practitioner
Salary: $45 - $60 per hour
About PediaClinic
Here is an opportunity to be part of something special in pediatric healthcare! We are a collaborative community of pediatric health experts who provide pediatric after-hours clinics for our patients and their neighbors. You will have the opportunity to work evenings or weekends in our Pediatric after-hours clinic....or work during the day in our COVID-19 vaccination clinic. Once you hear our story, you will want to be part of our team!

Created by 25 pediatricians and APP’s from 7 pediatric practices in south metro Denver, we see common pediatric illnesses and injuries when the pediatric office is closed. This is an ideal opportunity for you if you want flexible hours to help you focus on your family and your lifestyle...or you need some extra SSS to help pay off those student loans!

Job Description
• Evaluation, examination, assessment and treatment of a myriad of pediatric conditions. You should know your limitations and seek consultation with the child’s PCP or with a PediaClinic supervisor.
• Have knowledge and expertise for common injuries. Splinting skills are required as well as the repair of small lacerations (< 2 cm)
• Be organized in your charting duties and complete all medical records before you finish your shift so that the medical record can be faxed to the patient’s PCP on the same day
• Supervise, educate and collaborate with staff.
• Maintain your professional demeanor and respect the privacy of patients and families.
• Work 5 or more shifts per month, including at least one weekend day per month
  • M – F 5:30 pm to 8:30 pm
  • Sat 1 pm to 5 pm
  • Sun 10 am to 5 pm

All interested applicants should email a cover letter, current curriculum vitae, and 2 professional references to info@pediaclinic.net.

Position: Pediatric Physician

Our small vibrant office is looking to hire a third Pediatrician to join our close-knit team of 2 pediatricians and 2 physician assistants in Aurora. The office is centrally located with easy parking and serves a diverse population of patients. We pride ourselves in being a medical home for our patients who love being able to schedule with their primary care provider in our smaller office setting. The practice is growing and we need another energetic
and compassionate pediatrician to join the group. We have a triage nurse, behavioral health clinician, lactation consultant, and skilled support staff who help the office run smoothly. Light newborn rounding only at one nearby hospital. We have a nurse-triage phone service and share phone-call with other practices. Position is for 3-4 days per week (and an average of one Saturday morning in clinic per month) and can be flexible. We do have several Spanish-speaking patients so being able to speak Spanish is preferred.

Position: PT of FT Integrative Pediatrician/ Out-patient only

Enthusiastic, innovative, seasoned BC Pediatrician wanted for a pediatric practice passionate about integrating complementary medicine and behavioral health in a general out-patient, pediatric practice rooted in western medicine.

Pediatric Associates of Durango is a “Medical Home” for infants, children and adolescents. Our goal is to ensure that our patients thrive physically, mentally and emotionally. To accomplish this, we call on our solid background in conventional medicine as well as exploring a multitude of alternative options that have proven to enhance the overall health of our patients. Our families appreciate that we address the underlying causes of an illness and disease while simultaneously relieving symptoms.

We, at Pediatric Associates of Durango, are passionate about setting a new standard for health that empowers children to reach their full potential!

The clinic is in beautiful Durango, Colorado. The southwest, four corners area provides unparalleled opportunities to enjoy the outdoors whether it is skiing, camping, hiking, rock climbing, or mountain biking. Durango is also the home of Fort Lewis College ensuring a small town feel with a cosmopolitan outlook.

Position: BC/BE pediatrician or pediatric NP
We would like to hire a Full Time (4 days) or Part Time (3 days) BC/BE pediatrician or pediatric NP in beautiful, warm sunny Southern Colorado.

Long-established pediatric practice with two partner physicians. No C-Sections or deliveries to attend, light on-call 1 out of every 10 (nurse triage takes 1st call).
Pueblo is a beautiful town on the Arkansas river that is located less than an hour from skiing, boating, rafting, hiking, and the beautiful Pueblo Reservoir is in our backyard! We also have a lovely local zoo, art and history museums, a local baseball team, and a beautiful downtown Riverwalk and arts district. The Colorado state fair and rodeo is held in Pueblo every year as well! We are less than an hour south of Colorado Springs which boasts all the "big city" amenities including an airport and are two hours south of Denver. Pueblo is an up-and-coming town that is family-oriented, safe, and friendly, and still has a lower cost of living than many other Colorado cities. All qualified applicants are encouraged to apply.
