

APRIL 2021

# Pediatric Grand Rounds

April 2<sup>nd</sup>  
12:30pm

## Chancellor's John Conger Lectureship Visiting Professorship

### Poverty Really Sucks for Children; And This is Also Bad for Our Society

(Virtual Lecture- Zoom Link: <https://zoom.us/j/293160798>)

This presentation will discuss how poverty has significant negative impacts on children's health, well-being, and development, and how this impact remains throughout life. Whereas many individual lives are thus affected, the well-being of our society is also diminished as a result.

*Jan L. Wallander, PhD*

*Distinguished Professor of Psychological Sciences  
University of California, Merced*

April 9<sup>th</sup>  
12:30pm

### Germes, Antibodies, and God: Intersections of Religion and Vaccination

(Virtual Lecture- Zoom Link: <https://zoom.us/j/293160798>)

This presentation will review empirical and historical research at the multi-level intersections of religion and vaccines, and discuss studies' implications for clinical care and vaccination policy in the 21st century.

*Joshua T.B. Williams, MD*

*General Pediatrician, Community Health Services  
Denver Health  
Assistant Professor of Pediatrics  
University of Colorado Department of Pediatrics*

April 16<sup>th</sup>  
12:30pm

## **Precision Medicine Strategies for Medulloblastoma**

(Virtual Lecture- Zoom Link: <https://zoom.us/j/293160798>)

This presentation will review recent research that has established molecular classification of medulloblastomas and other embryonal tumors, now adopted by the World Health Organization, which has changed tumor classification and risk stratification for clinical trials.

**Scott L. Pomeroy, MD, PhD**  
*Bronson Crothers Professor of Neurology  
Harvard Medical School  
Chair, Department of Neurology  
Boston Children's Hospital*

April 23<sup>rd</sup>  
12:30pm

## **Diversity & Inclusion Lectureship**

### **Advocacy 101: What It Is and Why You Are Important**

(Virtual Lecture- Zoom Link: <https://zoom.us/j/293160798>)

This presentation will discuss advocacy issues in Pediatrics and how to be a change agent.

**Lolita M. McDavid, MD, MPA**  
*Medical Director  
Professor of Pediatrics  
Child Advocacy and Protection*

*University Hospitals Rainbow Babies and  
Children's Hospital*

April 30<sup>th</sup>  
12:30pm

**Hemophilia: 30 Years of Progress Towards  
the Cure of a Severe Pediatric Disorder**  
(Virtual Lecture- Zoom Link: <https://zoom.us/j/293160798>)

This presentation will review a retrospective of advances during the past 30 years in the treatment of bleeding in hemophilia, prevention of complications and development of novel non-factor and gene therapies.

***Marilyn J. Manco-Johnson, MD***  
*Co-Director, Hemophilia and Thrombosis Center*  
*Professor of Pediatrics*  
*University of Colorado School of Medicine*

## May 2021 At-a-Glance (Virtual)

May 7<sup>th</sup>  
12:30pm

Internal Access Only – View past Pediatric Grand Rounds presentations online, <https://childrenscolorado.sharepoint.com/sites/dept/CME/Pages/PediatricGrandRoundsVideos2021.aspx>

**NEW!**

## Important Continuing Education note to Pediatric Grand Rounds Participants.

Dear Pediatric Grand Rounds Participants,

Registration, evaluation and crediting for Pediatric Grand Rounds will be moving to our new Continuing Education Home by March 1.

Directions to access Continuing Education at Children's Hospital Colorado and complete your learner profile will be sent separately.

- Mobile number is required to report attendance via SMS Text code, thirty minutes before the activity.
- Desktop option to report attendance with weekly session code is available.

After the activity, complete the evaluation within 7 days. Evaluate via mobile, desktop, or by logging in to the portal to obtain CME credit. See helpful links to support your participation.

Save our CE phone number as a contact to report attendance by mobile device. Weekly session code is required to self-report attendance. Our CE phone number is **720-790-4423**.

Desktop Check In (weekly session code is required) - <https://ce.childrenscolorado.org/code>

Log-In to our NEW Continuing Education Home here: <https://ce.childrenscolorado.org>  
Go to My Account, Pending Activities to complete assigned tasks.

Please support our speaker(s) and the accreditation requirement with evaluation feedback.

**CME Tracker Reminder:** Our current CME tracker platform will be sunsetting.

Grand Rounds Participants seeking CME verification are encouraged to download their learner activity here: [Children's Colorado CMETracker Platform 2013- March 2021](#)

- 1) Sign In with your one email profile.
- 2) Select Transcripts Tile, enter date ranges to download report.
- 3) Please do NOT create another profile.
- 4) Use forgot password feature if necessary.

For questions about CE activities provided by Children's Hospital Colorado,  
call 720-777-5004 or email [ce@childrenscolorado.org](mailto:ce@childrenscolorado.org)
