

Social Video Calls on a Children's Hospital iPad

Here's how to start or answer Video Calls from the iPad assigned to you during your stay at Children's Hospital Colorado (CHCO).

You can use FaceTime, Skype and Google Duo for video calls with friends and family using your personal logins. Telehealth visits use a different process, reference the Telehealth Bedside tip sheet in your room.

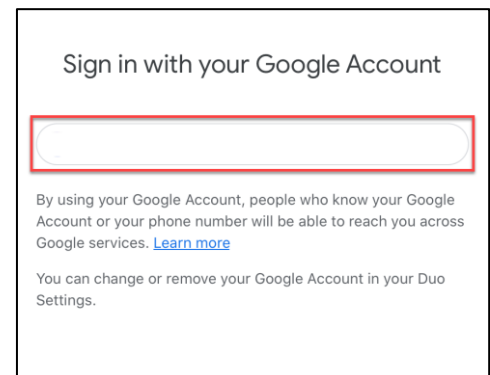

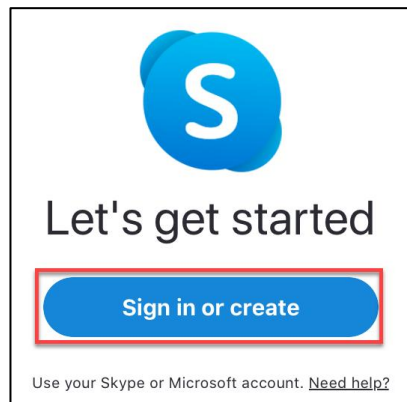

Try It Out...

1. **Open** FaceTime, Skype or Google Duo

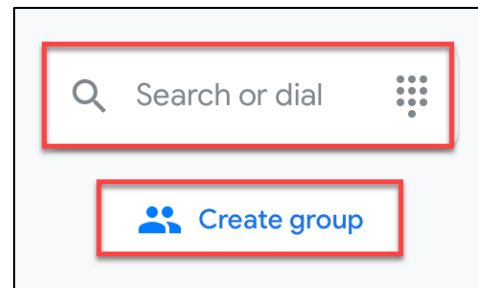

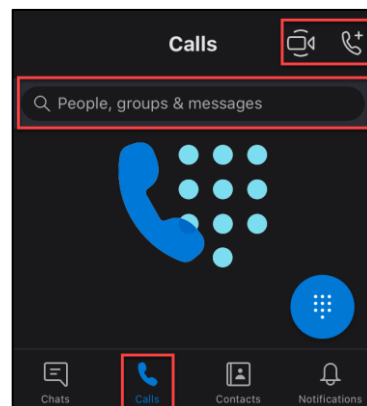

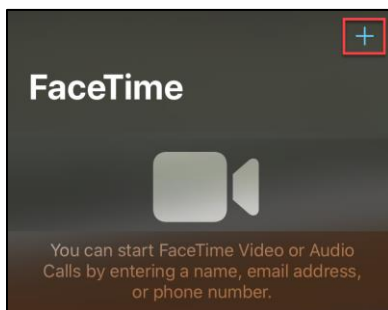

iPad icons for FaceTime, Skype and Google Duo

2. **Create** an account or **Login** to an active account

iPad sign in or create account screens for FaceTime, Skype and Google Duo

3. Once inside the app you can start a **video or audio call**
