

Children’s Colorado Outpatient Pharmacy at Anschutz Medical Campus

Walgreens’ services at Children’s Hospital Colorado, Anschutz Medical Campus ended Nov. 15, 2022. We will begin operating our own outpatient pharmacy in early 2023 in the space currently occupied by Walgreens. We are thrilled for the many ways the new pharmacy will allow us to improve the care we provide. Our goal is to ensure access to medications right when our patients need them and to streamline communications concerning medication use across the spectrum of care, ultimately enabling us to enhance care coordination and optimize outcomes.

We recognize that the gap in services presents some short-term challenges, and we are committed to minimizing the impact on patients.
