1. Pour flavored water into tray
2. Place in freezer; freeze until slushy
3. Place Popsicle sticks in the center
4. Freeze until solid
5. ENJOY!

Drink More Water!

Water is calorie-free and keeps your body hydrated. The more water you drink the better!

Drink 32-64oz a day! Try carrying a water bottle with you and keep refilling it throughout the day!

Make water more exciting by adding slices of lemon, lime, or watermelon
