Position: Pediatric Medical Director

Job purpose:
The Medical Director is a combined clinical and administrative position that supports the Kids First mission to deliver high quality pediatric services. The position provides leadership, direction and administration of all dimensions of clinical activities to ensure accomplishment of clinical objectives. The Medical Director is responsible for driving continuous quality improvement, integrated services and application of evidence-based clinical practices. The purpose of the position is to promote clinical excellence and efficiency throughout the agency.

Duties and Responsibilities:
1. Leadership and Administration
   • Emulate and promote the values of Kids First and the associated behaviors.
   • Ability to lead people in a clinical setting through coaching, mentorship, and ongoing support.
   • Works collaboratively with agency leadership to achieve strategic goals.
   • Participate in agency strategic planning and develop aligned annual work plan.
   • Participate in Leadership Team meetings.
   • Collaborates with supervisor to demonstrate progress and success in meeting work plan metrics in the expected timeframe.
   • Works collaboratively with direct reports to maintain clinic operations, develop and implement models of care, evaluate patient outcomes, and achieve metrics of success.
   • Revise program budget semi-annually and manage budget throughout the year.

2. Clinic Operations
   • Promote and advance integrated and culturally responsive services throughout Kids First Health Care to best support patients.
   • Maintains knowledge of current research and evidence-based practice.
   • Design and administer clinically related training.
   • Develops and initiates policies and procedures for evidence based clinical practices. Ensure clinical staff knowledge of policies and procedures and placement in an easy-to-reference format.
• Promotes consistency and best practices that enhance clinical quality and efficiency and minimizes variation across clinical sites.
• Oversees Lead Behavioral Health Professional and promotes an integrated care model.
• Supports Clinic Operations Manager on Dental Integration.
• Champions and directs quality improvement efforts and demonstrates improvement.
• Support clinical teams, facilitate clinical discussions and decision making and participate in medical home model management of medically complex patients.
• Approximately 20 hours or 25% (monthly) of direct patient care.
• Serves as a primary care provider to include accurate physical examinations, evaluations, diagnosis, treatment, follow up, consultation, and coordination of patient care.
• Assesses the roles and responsibilities of clinical team members, including opportunities for personal, clinical, or site improvement.
• Promotes and oversees vaccine compliance, policies and procedures.
• Oversees and supports Clinic Manager for clinic incidents.
• Manages clinic schedules for Nurse Practitioners and Pediatricians.
• Ensures compliance with clinical standards (i.e.: CLIA waived testing, Medicaid requirements, etc.) and reporting (statistics, state requirements, etc.).
• Other projects as identified with Executive Director.

3. Management
• Attend weekly clinic management meetings and monthly clinic meetings.
• Manages Clinicians and Clinical Leadership Team including reviews, support, training opportunities, hiring and termination.
• Consults and supports medical policies and procedures for Westminster Public Schools and Adams 14 school nurses.
• Informs clinical grant proposals and grant performance measures.
• Works with team members to set data metrics, compliance expectations and ensure accomplishment of clinic performance objectives.
• Informs Revenue Cycle policies and procedures to promote efficient, cost effective medical care.
• Collaborates with Clinic Quality Manager and Director of Community Outreach on Care Coordination and Patient Engagement.
• Supports other projects as identified with Executive Director.

4. Communication
• Provides ongoing feedback on operational performance to Executive Director and other senior leadership.
• Encourage good communication and teamwork across clinical and administrative teams.
• Represents Kids First knowledgeably and professionally to internal and external audiences.

Qualifications:
Minimum Qualifications
• Active Colorado Medical License and Board Certification

- Bachelor of Science in Nursing
- Special Services licensure as a School Nurse through the Colorado Department of Education or application must be completed upon employment
- School Nursing experience preferred or minimum of one-year experience in pediatrics, community, and/or school health.

Mindful Pediatrics – Holistic Pediatrics Practice
75 Manhattan Drive
Boulder, CO 80303
Contact: Roy Steinbock MD FAAP
Phone: (303) 775-5283 or (303) 318-4102
Email: DrRoy@MindfulPediatrics.com

Mindful Pediatrics is the general pediatric office of Roy Steinbock MD, a board certified and holistic pediatrician, seeing children from birth through adolescence for all their wellness care, sicknesses and general health guidance.

At Mindful Pediatrics, I have created a practice that promotes the highest quality of care in a supportive and nurturing environment. I practice evidence-based western medicine with a holistic approach. I believe that each child is unique and deserves to be understood from a biological, psychological, spiritual and social perspective. Using my knowledge of general Pediatrics, nutrition, mindfulness, and holistic medicine, I guide my patients and their families in both well care and illness. From nutrition to exercise, mind-body, homeopathy, herbs and pharmaceutical medications, I use the most appropriate and mildest combination to achieve the best outcome. Taking the time to gain this greater understanding is the key to an accurate diagnosis and treatment.

Because Mindful Pediatrics is a fee for service practice (we do not accept insurance) visits last as long as they need to. To get to know each other on a deeper and more meaningful level a typical well visit
may last an hour. Only one patient is scheduled at a time, and the number of families in the practice is limited to ensure virtually no wait times and excellent availability. The entire experience is designed to honor and respect the needs of the child and family.

Mindful Pediatrics is looking for a **part-time Pediatrician, Nurse Practitioner or Physician’s Assistant** to join our team.

- Part time (2 days per week) and grow towards a full time position (3.5 to 4 days per week).
- We are looking for a trustworthy, kind and compassionate, confident, self-motivated and driven provider who has an amazing attention to detail and memory.
- Holistic training is a definite plus, but otherwise looking for someone with a readiness to learn and grow.
- As a holistic physician I strive to maintain balance and an excellent quality of life. I have created a practice that has attracted amazing families who seek the same. Work is fun, reasonably paced, satisfying and engaging.

**Park View Pediatrics**
6179 S. Balsam Way #205
Littleton, CO 80123
Contact: Terrie Brown, Office Manager

Enthusiastic, innovative, seasoned BC Pediatrician wanted for a pediatric practice passionate about integrating complementary medicine and behavioral health in a general out-patient, pediatric practice rooted in western medicine.

Pediatric Associates of Durango is a “Medical Home” for infants, children and adolescents. Our goal is to ensure that our patients thrive physically, mentally and emotionally. To accomplish this, we call on our solid background in conventional medicine as well as exploring a multitude of alternative options that have proven to enhance the overall health of our patients. Our families appreciate that we address the underlying causes of an illness and disease while simultaneously relieving symptoms.

We, at Pediatric Associates of Durango, are passionate about setting a new standard for health that empowers children to reach their full potential!

The clinic is in beautiful Durango, Colorado. The southwest, four corners area provides unparalleled opportunities to enjoy the outdoors whether it is skiing, camping, hiking, rock climbing, or mountain biking. Durango is also the home of Fort Lewis College ensuring a small town feel with a cosmopolitan outlook.

Website: www.palousepediatrics.com

If you are a MD or DO, BC/BE pediatrician who is looking for a great new opportunity. We are a well-established group of pediatricians committed to quality, evidence-based care and building relationships with families over a child’s lifespan - from attending a child’s birth to well visits in clinic to being there when they get admitted with croup at the local critical access hospital. It’s the full-scope primary care pediatrics that DOES still exist, in a group of pediatricians who are well trained, collegial and treat each other like family. Will you take some calls? Yes. Will you work some weekends? Yes. Will it be worth it to be “it” for families at the time they need you most? Yes, of course.
The rewards: Families will know you, thank you, express gratitude with your favorite coffee. You will be welcomed with open arms into this incredible community we love. Plus, you will enjoy a strong income and outstanding benefits - salary potential over 200k, sign on bonus, relocation assistance, 401K with a match, 6 weeks of PTO, CME funds and much more.

The place: Located in the beautiful rolling hills of the Palouse (SE Washington and North Idaho) our two clinics provide extended access to our families across the region. Home of Washington State University and the University of Idaho these small university towns provide a really neat, diverse and well-educated community. Enjoy four beautiful seasons for year-round outdoor activities, PAC-12 sports, university activities, excellent public schools, low cost of living and a safe place to raise a family. In addition, you are within a reasonable distance to the more metropolitan Spokane, the Snake River for boating and fishing, multiple ski hills and more.

Breaking it down:
- SE Washington/North Idaho
- BC/BE Pediatrician
- MD or DO
- Full-time position (4 days/week) or Part-time options.
- Employed hospital owned clinic
- 4 cool pediatricians. Looking to add a 5th due to recent retirement of a beloved 30-year pediatrician.
- 1:4 to 1:5 clinic/hospital call divided equally (with extra pay for hospital call duties)
- 90-95% Outpatient, 5-10% Inpatient
- Inpatient includes basic medical admits and ED consults, but is mostly newborn nursery and deliveries with a level I nursery doing 350-375 deliveries/year.
- Competitive salary guarantee based on the MGMA mean for first 2 years, with 3rd year to start productivity model with a guaranteed base.
- Excellent benefits

Hope to hear from you soon!
Dr. Gordon, Dr. Shields, Dr. Katie and Dr. Mike
