

# Are you eligible to donate?

## Please review the questions below.

- In the past 3 months, have you traveled out of the U.S. or Canada?
- Are you currently taking antibiotics or other medication for an active infection?
- Have you received a shingles or MMR vaccination in the last 4 weeks?
- Do you weigh less than 110 pounds?
- Are you under 18 years old?
- Are you currently experiencing COVID-19 symptoms and/or feeling unwell?
- Are you currently under a doctor's care for illness, injury or surgery?
- In the past 2 years have you taken any medication to prevent an HIV infection (PrEP/PEP)?
- Have you ever taken any medication to treat an HIV infection?
- In the past 3 months, have you had sexual contact with a new partner?\*
- In the past 3 months, have you had sexual contact with more than one partner?\*

If you answered yes to any of the above, you might not be eligible to donate. Please call 720-777-5398 and we will be happy to review your eligibility and answer any questions you have.

**Please note:** The list above does not cover all screening questions. We will collect a full health history at the time of your donation.

\* Please review the [AABB FAQs on Individual Donor Assessment Screening](#) prior to your donation for more information.
