CHILDREN'S HOSPITAL COLORADO AND NETWORK OF CARE WISH LISTS

Thank you for your interest in donating toys and other needed items to Children’s Hospital Colorado! The generosity of our community provides items for our Certified Child Life Specialist to utilize with our patients for developmentally appropriate interventions including therapeutic play, preparation and education to reduce fear, anxiety and pain. Also, these items are used to help normalize the hospital experience and make the holiday season, birthdays and other special events memorable for our patients and families.

Reminders
To better assist you with decisions regarding donations, please keep in mind:

- We can only accept brand new / never used items due to infection control guidelines for all of our patients.
- Items need to be in their original packaging.
- We cannot accept toys that depict violence, i.e. guns, swords.
- Infants/toddlers, and adolescents are the age groups in greatest need.
- We also cannot accept the following items: food products, potted plants, latex balloons.
