

INTERNSHIP PROGRAM TABLES

Date Program Tables are updated: 8/22/23

Program Disclosures

As articulated in Standard I.B.2, programs may have “admission and employment policies that directly relate to affiliation or purpose” that may be faith-based or secular in nature. However, such policies and practices must be disclosed to the public. Therefore, programs are asked to respond to the following question.

Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution’s affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values.	<u> </u> Yes <u> X </u> No
If yes, provide website link (or content from brochure) where this specific information is presented:	

Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program’s policies on intern selection and practicum and academic preparation requirements:
Applicants must be doctoral candidates who are enrolled in an APA or CPA accredited PhD or PsyD program in Clinical, Counseling, or School Psychology. Candidates are expected to have had sufficient training and experience in Child Clinical Psychology to be able to gain maximum benefit from the experiences offered.
Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:
Total Direct Contact Intervention Hours: <u>No Yes Amount: 500 hours combined with assessment</u> Total Direct Contact Assessment Hours: <u>No Yes Amount: 500 hours combined with intervention</u>
Describe any other required minimum criteria used to screen applicants:
<ul style="list-style-type: none">• Accepted into doctoral candidacy and completed dissertation proposal approval process.• Completed at least three years of practicum/field placement or work experience, which includes a minimum of 500 hours direct clinical assessment and intervention hours combined (preference given to applicants with youth 0-18 years old and families).• Completed at least five child and/or adolescent integrated psychological testing reports
