

Rotation Name	Choice	DI Code	R15
Concentration	<input type="checkbox"/> Pediatrics <input type="checkbox"/> Adult	<input checked="" type="checkbox"/> Both	
Required Rotation	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No		
Time	1 Weeks		
Primary Preceptor*	Michelle Henry, MPH, RD	CDR #	922041
Secondary Preceptor	TBD	CDR #	Click here to enter text.

* Primary Preceptor must be a Registered Dietitian.

Objectives:

1. Apply prior learning to a new sector of dietetics.
2. Demonstrate independent, effective communication, collaboration and rapport-building with other nutrition professionals.
3. Perform self-assessment with demonstration of ability to set future goals.

Pre-Rotation Assignment:

Student Instructions: As assigned by the choice rotation preceptor (TBD).

Assessment: Preceptor(s) will review the pre-rotation assignment at the beginning of the rotation.

Preceptor is responsible for feedback to intern.

Rotation Checklist:

- Intern will make all necessary contacts for setting up and completing the Choice rotation in a workplace of their choosing demonstrating independent, effective communication, collaboration and rapport-building with other nutrition professionals. CRD 2.8
- Intern will complete any projects and assessments requested by the Choice rotation preceptor and display these in their Professional Portfolio. CRD 2.1, 2.12, 2.13, 3.1, 3.1a-e, 4.5
- Intern will complete the Choice rotation self-assessment and goal setting paper within one month of completing the rotation. CRD 2.12

At the successful completion of this rotation, the intern will be able to:

1. Practice in compliance with current federal regulations and state statutes and rules, as applicable and in accordance with accreditation standards and the Scope of Dietetics Practice and Code of Ethics for the Profession of Dietetics. CRD 2.1
2. Apply leadership principles to achieve desired outcomes. CRD 2.8
3. Perform self assessment, develop goals and objectives and prepare a draft portfolio for professional development as defined by the Commission on Dietetics Registration. CRD 2.12
4. Demonstrate negotiation skills. CRD 2.13
5. Perform the Nutrition Care Process (a through e below) and use standardized nutrition language for individuals, groups and populations of differing ages and health status, in a variety of settings. CRD 3.1
6. Assess the nutritional status of individuals, groups and populations in a variety of settings where nutrition care is or can be delivered. CRD 3.1a
7. Diagnose nutrition problems and create problem, etiology, signs and symptoms (PES) statements. CRD 3.1b

This rotation addresses the following DI Competencies per ACEND DI Standards 2012: CRD 2.1, 2.8, 2.12, 2.13, 3.1, 3.1a-e, 4.5, 4.11

This rotation addresses the following DI Concentration Competencies: None.

8. Plan and implement nutrition interventions to include prioritizing the nutrition diagnosis, formulating a nutrition prescription, establishing goals and selecting and managing intervention. CRD 3.1c
9. Monitor and evaluate problems, etiologies, signs, symptoms and the impact of interventions on the nutrition diagnosis. CRD 3.1d
10. Complete documentation that follows professional guidelines, guidelines required by health care systems and guidelines required by the practice setting. CRD 3.1e
11. Use current informatics technology to develop, store, retrieve and disseminate information and data. CRD 4.5

Preceptor is responsible for completing intern skills assessment form for this rotation and Intern is responsible for completing the self-assessment and journal activity for documentation of successful completion of the rotation.
