Late Breaker: RSV is still circulating at record high numbers and influenza is now here and rising as well. Please continue to recommend influenza and SARS-CoV-2 vaccination for all eligible patients. The CDC has some good tips and reminders on how to stay safe and healthy during the holiday seasons: Strategies for a Healthy and Safe Holiday Season | CDC. As we gather this week, even during these stressful times, it is good and healthy to remember and recount all that we are grateful for. A huge thank you to everyone who has been working tirelessly to care for our children during this unprecedented respiratory season.
