Ongoing Educational Programs

Regularly Scheduled Series
The Regularly Scheduled Series (RSS) discuss current research, new therapies, challenging cases and implications related to current and future practice.

Some of the RSS are video-conferenced. It is important to be included on department specific contact lists to receive the RSS schedule, inquire about video conference capabilities, CME credits and receive related updates. For additional information, contact 720-777-5004.

Colorado Children’s Immunization Coalition (CCIC) Education Series

Colorado Children’s Immunization Coalition (CCIC) is dedicated to keeping Colorado kids healthy by building awareness for vaccines, educating health care providers and advocating for policies that protect children by increasing childhood vaccination rates. Educational sessions focus on immunization hot topics and best practices, updates on vaccine preventable diseases, immunization policy, vaccine safety, new vaccine research and communicating about vaccines with parents and the public.
