Thank you for choosing Children's Hospital Colorado for the care of your patients. This reference guide is designed to assist you in accessing our broad range of medical and surgical specialties. For additional assistance, please call One Call.

One Call
720-777-3999 or 800-525-4871
Colorado Springs One Call: 719-305-3999
One Call is the primary care physician’s link to pediatric and adolescent services and information. It is available for 24-hour specialist consultation, referral, admission, diagnostic dilemmas and information for healthcare providers.

Direct Admit
720-777-3999 or 800-525-4871
A referring community provider can directly admit a patient to Children's Colorado by calling One Call and requesting Patient Placement.

Children’s Colorado Transfer Center
720-777-3999 or 720-777-8838
The Children's Colorado Transfer Center improves access to the Emergency Department (ED), Urgent Care and inpatient units. This service assists referring providers with both ED transfer/referrals as well as admissions. To coordinate your ED/Urgent Care referral, please call One Call at 720-777-3999 and press 1 to be connected with the Transfer Center or call the Transfer Center directly at 720-777-8838.

Regional Outreach Clinics
For a full listing of Children's Hospital Colorado regional outreach clinic locations and appointment scheduling information visit: childrenscolorado.org/outreach.

Children's Colorado Connect
The Children's Colorado Connect portal provides referring providers read-only access to their patients’ electronic health record (EHR) at Children's Colorado, and the ability to submit referrals electronically. Providers are able to access all of their patients’ medical information through a secure internet connection via the Children's Colorado Connect portal.
https://connect.childrenscolorado.org

If you or a member of your staff would like to sign up for a Children's Colorado Connect account, or to learn how to submit referrals electronically, please call the Physician Relations department at 720-777-6676.
