EMERGENCY NURSING PEDIATRIC COURSE (ENPC) PROVIDER COURSE
Conference Center, Children’s Hospital Colorado

2016 Course Dates
March 17-18 · June 29-30 · October 4-5

Overview and Target Audience
ENA developed the Emergency Nursing Pediatric Course to establish a standardized body of pediatric emergency nursing knowledge and to improve the care of all pediatric patients. This fourth edition course combines interactive learning with scenario-based assessments to give nurses a comprehensive learning experience.

Successful completion of the course requires 80% or greater on the multiple choice exam and 70% or greater on the skill station evaluation. RN Candidates with successful completion will receive the ENA ENPC 4 year provider verification card.

EMT Basic through Paramedic and Nursing students are welcome to attend. CE for Pediatrics and Trauma are awarded to all. However, the candidate must be a licensed RN in order to maintain the certification.

Objectives
- Demonstrate knowledge of pathophysiology as a focus for the signs and symptoms of injury for a pediatric patient.
- Demonstrate appropriate psychomotor skills related to the care of an ill or injured pediatric patient including airway management, spinal immobilization and resuscitation of the pediatric patient.

Faculty
ENA ® certified instructors who practice full-time in pediatric emergency; critical care and transport settings facilitate the course.

Continuing Education
Up to 15.58 contact hours are awarded by the Emergency Nurses Association for course completion.

Course Fee
Children’s Colorado Employee – No Fee
Non-Children’s Colorado Employee - $230
