Medical Director, CHIP Youth Program
Children’s Hospital Colorado

Feb. 21st
12:30pm

Silverman Lectureship
Inspiring an Innovation Culture in Child Health Research (Mt. Oxford)

Advances in biomedical research have researched a point at which translation and innovation are not only an opportunity for the field of pediatrics, they are a mandate.
Inspiring a culture of innovation is an important responsibility to child health research institutes in the modern era.

John Barnard, MD  
President, Abigail Wexner Research Institute  
Nationwide Children’s Hospital  
Professor and Chair, Department of Pediatrics  
The Ohio State University College of Medicine
