Website: www.AdvancedPediatricAssociates.com

Advanced Pediatric Associates (APA) is currently looking for an enthusiastic and energetic **Physician/Pediatrician** to join our dynamic team. With offices in Aurora, Centennial, Parker and Stapleton, we have over 40 years of experience providing advanced pediatric care in the Denver metro area.

APA’s provider team, consisting of 15 physicians and 10 mid-level providers, has developed a model for pediatric care which combines the benefits and services of a larger group practice with the personalized care of a smaller physician office. Our patients and families can expect compassionate and comprehensive medical services within our offices Monday through Friday as well as Saturday mornings, convenient access to quality after-hours advice, in-hospital newborn care, and professional coordination of care between our providers and community specialists and services.

The practice utilizes the Epic EMR system and providers are supported by RN triage and a centralized call center. The practice promotes a healthy work/life balance with a focus of on-going clinical and administrative quality improvement. Our providers are dedicated to delivering cost-effective, quality of care that is accessible to all of our patients by applying AAP best practices as well as forming collaborative partnerships with Children's Hospital. Our practice regularly achieves MGMA recognition as a "Better Performer" for customer satisfaction, financial performance and practice management. CVs can be e-mailed to HR@Advanced-Pediatrics.com or faxed to 720-974-7152.

Please visit us on the web at www.advancedpediatricassociates.com.
Arvada Pediatric Associates

8030 Lee Drive
Arvada CO 80005
Contact: Charyl LeBlanc, MD
Phone: (303) 421-6873
Fax: (303) 421-9922
Email: charylleblanc@hotmail.com
Website: http://www.arvadapeds.com
Located between Denver, Boulder and the Rocky Mountains, Arvada Pediatric Associates is a single specialty practice of nine physicians. We are looking for a Physician Assistant to work four days per week. The opening is available immediately.

We practice in a collegial, enthusiastic atmosphere and are looking for someone from an outstanding training program with a passion for primary care pediatrics. Saturday morning office hours are rotated between our PA’s in conjunction with one of our physicians. We do not ask you to take call and we do not provide inpatient hospital care.

We are indeed close to ski slopes, hiking and mountain biking trails, national forests and most mountain-related outdoor pursuits. Denver’s downtown with its cultural opportunities is less than 30 minutes away.

If interested, e-mail inquiries to Charyl LeBlanc MD at charylleblanc@hotmail.com. Resumes may also be mailed to Arvada Pediatric Associates, 8030 Lee Drive, Arvada CO 80005, attention Charyl LeBlanc, MD.

Aspen Park Pediatrics, PC

25797 Conifer Rd., #B110
Conifer CO 80433
Phone: (303) 838-3355
Fax: (303) 838-8925
Contact: Carol Turner, MD
Email: ct@aspenparkpediatrics.com
Website: www.aspenparkpediatrics.com
Aspen Park Pediatrics is currently seeking a full time pediatrician, pediatric nurse practitioner or physician’s assistant. Aspen Park Pediatrics is located 40 minutes southwest of Denver on Highway 285 in beautiful Conifer. We have wonderful schools, abundant open space parks and easy access to mountains, skiing, rivers, camping and biking. Aspen Park Pediatrics was established in 2004. We have a growing patient population.

Our staff loves taking care of patients and families. Our goal is to provide a warm and inviting environment and maintain the highest possible standard of care through ongoing education, quality improvement programs and positive change in workflow systems and evidence-based practice. Aspen Park Pediatrics is devoted to preventive care. Well visits need to be a memorable, special and educational event.

We welcome complex medical, social, developmental and psychological cases. We foster and exhibit a healthy, active lifestyle.

This practice was conceived with electronic health records and electronic practice management. State of the art technology is a priority.

Please E-mail your CV to ct@aspenparkpediatrics.com if interested. Please feel invited to call with questions or need for further information.

Castle Rock Pediatrics
1001 S. Perry St, Suite 101B
Castle Rock, CO 80104
Contact: Dr. Rita Thieme
Phone: (303) 688-2228
Fax: (303) 353-1758
Email: r.thieme@castlerockpediatrics.com
Website: www.castlerockpediatrics.com
Castle Rock Pediatrics is looking for a full time physician assistant or pediatric nurse practitioner. Will also consider BC/BE Pediatrician. We provide excellent care for our patients, following AAP guidelines. We are a designated Foster Care clinic for Foster children in Douglas County. We use the Children's nurse line for after-hours calls, so the providers only provide back up call. The only after-hours calls we generally receive are rare calls from hospitals. Spanish speaking a plus. We offer a competitive salary. Benefits include Health Insurance, 401K with 3% match, PTO time, CME funds and optional dental insurance and disability insurance.

Castle Rock is a beautiful town south of Denver with easy access to Denver and the mountains. We are one of the fastest growing cities in the country, with beautiful parks, bike paths, and one of the best school districts in the state. Castle Rock has excellent shopping, from boutiques in town to the Outlets of Castle Rock.

If you are interested in this position, please send a cover letter and resume to Dr. Thieme at r.thieme@castlerockpediatrics.com or 303-353-1758. You may also call our office at 303-688-2228.

Come join our Centennial Valley Pediatrics group!! We have two sites, in beautiful Louisville and Erie Colorado. We are currently looking for another physician to join our group. We offer benefits, a competitive starting salary, paid time off and paid CME. Check us out at our website: www.cvpeds.com. Please contact: Ellen Boyd 303 666-7337 or fax 303 666-7379 or email eboyd@cvpeds.com
Cherry Creek Pediatrics

Located in the heart of Denver, Cherry Creek Pediatrics has been providing quality compassionate care to infants, children and adolescents for over 25 years. We are looking to add a full or part time BE/BC pediatrician to our current team of 8 physicians and 5 advanced practitioners. We are an independent practice that works closely with Children’s Hospital Colorado. In addition to providing great care for our patients, we are active with the Pediatric Care Network, the Colorado Chapter of the AAP and the Colorado Department of Public Health in order to advance pediatric care within our community. We aim to elevate the standard of care in Denver and give a personal touch to our relationships with patients and their families to provide an effective medical home. We use EPIC as our EHR, which enables us to utilize technology to further advance patient care. We are proud of our office culture and have an excellent support staff of RN’s, MA’s and administrators. Please send CV’s to the above contact information or call for additional details.

Children’s Medical Center

LCSW or LMFT - This is an exciting opportunity for work as a contract provider in an established and well respected pediatric practice in Denver. This position requires an experienced, organized, self-directed therapist looking for an independent contract position offering a consistent referral source, practice space, an electronic medical record and billing system. Patient base is diverse, insurance panel participation is expected with support in the credentialing process. The position is currently part time and provides support for children and families through a collaborative model. No benefits are provided. The ideal candidate will already have a CAQH number and be participating with several insurance panels. Please contact ljoslyn@cmcpediatrics.com with questions and CV.

or Helene Ruozzi, ext. 1282, hruozzi@immunoe.com
Phone: 303-773-9000
Fax: 303-770-1449
Email: info@IMMUNOe.com
Web: www.IMMUNOe.com

Job Opportunity: Family Nurse Practitioner

Horizon Primary Care is seeking a Family Nurse Practitioner to join our integrated healthcare practice. A member of the acclaimed IMMUNOe Health Centers network, Horizon Primary Care is renowned for its unique approach to treating patients: instead of simply practicing preventative medicine, we also actively explore the mechanisms of disease, an approach that enables us to better understand the causes and treatments of a disorder, and not simply ‘treat the symptoms’.

As a physician at Horizon Primary Care, you will have access to the expertise, knowledge and resources of the acclaimed divisions of the IMMUNOe Health Centers network:
- IMMUNOe Allergy & Asthma Division
- IMMUNOe Infusion & Immunology Division
- IMMUNOe ENT Division
- IMMUNOe Research Division

As a result, you will be able to provide your patients with the most comprehensive, cutting-edge care available, today.

If you are a family nurse practitioner looking to join one of the leading practices in innovative medicine, we invite you to contact our office. The ideal candidate will understand neuro-intervention in children with ADHD, pediatric early intervention, and the ‘links’ that may lead to auto-immune disease. He or she should also be interested in exploring advances in ADHD treatment, treatment of anxiety and depression, and immune and auto-immune disorders. For more information, please contact any of our four Horizon Primary Care offices located throughout the front range area: Centennial, Green Valley Ranch, Thornton and Longmont.

Lowry Pediatrics
2/27/18
8190 E. 1st Avenue, Suite 100
Denver, CO 80230
Contact: Theresa Angel
Phone: (720) 859-8222
Fax: (720) 859-9777
Email: theresa.runde@gmail.com
Website: http://www.lowrypediatrics.com
We are a busy Pediatric practice located in Lowry. We are looking for a RN or LPN with pediatrics experience. We require an outgoing, enthusiastic, detail oriented, fast learner, problem solver with exceptional customer service skills. The individual must present a professional image at all times. The right candidate will be reliable with a good work ethic. He/she will be organized and will utilize time wisely.

Responsibilities include (but are not limited to):
Rooming patients, obtain vitals, follow prescription refill procedures, assist provider and other staff, maintain clean work area, exam rooms, and order supplies. Administer medications, immunizations, ability to multi task, knowledge of medications and injection procedures. Able to perform throat swabs, urine dips, blood draws, and triage calls.

This position is Full-time. Shifts may vary, but candidate must be available Monday - Friday from 8:30am-5:30pm, and on occasional Saturdays until 12PM. A 40-hour work week is standard. We offer a competitive salary with medical/dental benefits, PTO and 401k when eligible.

Requirements include:
Active LPN or RN license in Colorado
Current CPR certification
To apply, please email a cover letter and resume to theresa.runde@gmail.com.

Mindful Pediatrics – Holistic Pediatrics Practice
75 Manhattan Drive
Boulder, CO 80303
Contact: Roy Steinbock MD FAAP
Phone: (303) 775-5283 or (303) 318-4102
Email: DrRoy@MindfulPediatrics.com
Mindful Pediatrics is the general pediatric office of Roy Steinbock MD, a board certified and holistic pediatrician, seeing children from birth through adolescence for all their wellness care, sicknesses and general health guidance.

At Mindful Pediatrics, I have created a practice that promotes the highest quality of care in a supportive and nurturing environment. I practice evidence-based western medicine with a holistic approach. I believe that each child is unique and deserves to be understood from a biological, psychological, spiritual and social perspective. Using my knowledge of general Pediatrics, nutrition, mindfulness, and holistic medicine, I guide my patients and their families in both well care and illness. From nutrition to exercise, mind-body, homeopathy, herbs and pharmaceutical medications, I use the most appropriate and mildest combination to achieve the best outcome. Taking the time to gain this greater understanding is the key to an accurate diagnosis and treatment.

Because Mindful Pediatrics is a fee for service practice (we do not accept insurance) visits last as long as they need to. To get to know each other on a deeper and more meaningful level a typical well visit may last an hour. Only one patient is scheduled at a time, and the number of families in the practice is limited to ensure virtually no wait times and excellent availability. The entire experience is designed to honor and respect the needs of the child and family.

Mindful Pediatrics is looking for a Pediatrician, Nurse Practitioner or Physician’s Assistant to join our team.

- Part time (2 days per week) and grow towards a full time position (3.5 to 4 days per week).
- We are looking for a trustworthy, kind and compassionate, confident, self-motivated and driven provider who has an amazing attention to detail and memory.
- Holistic training is a definite plus, but otherwise looking for someone with a readiness to learn and grow.
- As a holistic physician I strive to maintain balance and an excellent quality of life. I have created a practice that has attracted amazing families who seek the same. Work is fun, reasonably paced, satisfying and engaging.
Parker Pediatrics and Adolescents
10371 S Parkglenn Way #100
Parker, CO 80138
Contact: Brian Stanga, MD or Jay Rabinowitz, MD - practice owners
Phone: (303) 841-2905
Fax: (303) 841-3052
Email: bstanga@hotmail.com
Website: www.parkerpediatrics.com

Pediatric position: Parker Pediatrics and Adolescents is recruiting a full time physician(MD/DO) to join Douglas County’s original and most comprehensive pediatric practice in Parker, Colorado. The group consists of 7 board certified Pediatricians, 2 Physician Assistants and 1 Nurse Practitioner. We also feature 4 PhD/PsyD/LPC Child/Adolescent Psychologists and a Registered Dietician/Lactation Consultant. We have been in practice for over 30 years and need an additional physician to meet the demands of our growing practice.

Work 4 days a week + approximately 1 weekend/month and enjoy once/week home call. We see our newborns at two regional hospitals- Parker Adventist and Skyridge Medical Center. We offer a competitive salary, vacation, health insurance, SIMPLE IRA retirement savings matching funds, and CME reimbursement. Malpractice is paid by the practice. Parker is located just southeast of the Denver metro area. Visit our website: www.parkerpediatrics.com to learn more about us.

Peak Pediatrics
3555 Lutheran Parkway, Suite 340 & 370
Wheat Ridge, Colorado 80033
12774 Colorado Blvd., Suite 141
Thornton, CO 80241
Contact: Laura Johnson
Phone: (303) 996-6005
Fax: (303) 420-8831
Email: LJohnson@peakpediatrics.com
Website: www.peakpediatrics.com

We are seeking a highly motivated general pediatrician to join our team. Peak Pediatrics is dedicated to providing high-quality care to children regardless of socio-economic background and insurance. We take pride in providing a wide range of resources for our families including social work, behavioral and mental health, and care coordination for families with complex needs.

Our Peak Provider team comprises of four physicians, seven mid-level providers, and two behavioral health specialists. Your responsibilities will include four days of outpatient primary/acute care, one of which will include rounding in a community hospital (Lutheran Medical Center) that includes newborn nursery and basic NICU and pediatric hospital medicine.

You will share overnight and weekend call with four other physicians. We have an after-hours nurse triage system, and physicians are not first call for most concerns. Our practice utilizes the Epic EMR system, and providers are supported by RN triage and a centralized call center.

Ideally, the candidate would be comfortable managing basic mental health concerns including ADHD, anxiety and depression. We also see medically complex patients and work closely with local specialists.

Benefits include protected CME time and funds, paid time off, profit sharing based retirement plan, health/vision/dental insurance, malpractice insurance, and credentialing fees.

We are looking for a candidate who shares our mission to provide care with warmth, compassion, and clinical excellence.

Please send your cover letter and resume to yamini@peakpediatrics.com.
RMHC Pediatrics is a private practice looking for an enthusiastic, passionate and community-centered part-time Physician Assistant or Nurse Practitioner to join our current team of four pediatricians. We are a busy, thriving practice that serves as a medical home for pediatric patients in the Denver-metro area. We provide acute and chronic comprehensive care, preventative medical care and we also have a behavioral health clinician in the office to provide integrative medical and mental health care. Our practice is supported by RN triage during clinic hours, as well as, a Community Health Liaison. We use Epic EMR which is connected to Children’s Hospital of Colorado. RMHC believes in utilizing a team approach and we consistently focus on providing the best possible care for our patients.

We are looking for a qualified, out-going, motivated PA or NP, previous pediatric experience is preferred. The position would be 3-4 days a week as well as Saturday morning clinic about once a month. Spanish-speaking would be a plus as we do provide care for both English and Spanish speaking families.

Rose Pediatrics

We’re looking for an energetic and friendly BC Pediatric Nurse Practitioner to join our growing practice. The right candidate will provide excellent customer service to patients, families and co-workers.

- Provides medical services.
- Prescribe medications and make recommendations for other forms of treatment.
- Maintains medical expertise and competency as well as demonstrates thorough knowledge of procedures to deliver quality primary medical care.
- Examines, diagnoses, treats and/or refers patients for appropriate specialty care services.
- Reviews all lab and x-ray reports for patients under his/her care on a timely basis and makes medical management decisions appropriately. Follows appropriate standards of care for each patient.
- Maintains health record for each patient seen in accordance with Rose Pediatrics’ management policies and procedures.
- Perform, order, and interpret diagnostic studies and medical protocols.
- Provide education and support to patients and receive and address patient’s questions and problems.
- Collaborates with Chief Medical Director, Practice Administrator, Site Supervisor, Medical Assistants and Front Desk Staff and other team members to assess the needs of clients.

Great environment, great benefits, and compensation based on experience. Minimum one year Pediatric Primary Care experience required. Please send your resume to the email address above with “Candidate for Rose Pediatrics” in the subject line.
Regional Openings:

The Children’s Clinic, PC 3/14/17
3401 Ave. E -- West End 59102
1232 N. 30th -- Down Town
Billings, MT 59102
Contact: Danny Zimmerman, MPH, Clinic Administrator
Phone: (406) 281-8700
Direct: (406) 281-8750
Fax: (406) 281-8758
Email: dannyz@tccob.com
The partners at the Children’s Clinic would like to invite you to explore a practice opportunity (with partnership opportunity) at our pediatrics clinic in Billings, Montana.

The Children’s Clinic was founded in 1954 and has proudly served the region since then. Today, the clinic is a level 3 patient centered medical home comprised of 11 providers: 9 pediatricians, a developmental/behavioral pediatrician, and a NP specializing in adolescent health. Our six provider office is located on the west end of Billings at 3401 Avenue E, a state of the art, custom built pediatric facility we opened in 2011. We also maintain a two provider office across from St. Vincent Hospital. St. Vincent Hospital is comprised of a level three NICU; staffed by four neonatologists, a six bed PICU staffed by a 24/7 Pediatric Intensivist, and a 24 bed pediatric unit. There is pediatric hospitalist support available.

Duties would include outpatient general pediatrics, newborn nursery coverage, and inpatient pediatrics (if desired). Additionally, you can expect:

- Flexible 4 day work week
- Call would be 1 in 10 with a maximum of 4 call days per month
- Most pediatric sub-specialties are available at St. Vincent pediatric specialty clinic
- Average 20 to 25 clinical visits per day
- Benefits include, health insurance, 401K, profit sharing and life insurance

The largest city in Montana, Billings rests on the bank of the Yellowstone River just 60 miles from the Absarokee-Beartooth Mountain Range. The Billings metro area has a growing economy, excellent schools, two colleges, and a diverse retail center. Outdoor recreational opportunities are abundant as are cultural and entertainment venues within the city. Billings Logan International Airport is a regional hub allowing for easy access and travel to and from Montana.

Dino Pediatrics 3/15/17
1190 Bookcliff Ave #104
Grand Junction, CO 81501
Contact: Crystal Cameron
Phone: (970) 242-7060
Fax: (970) 242-6198
Email: dinopeds@yahoo.com
Excellent opportunity for Full Time / Part Time career oriented pediatrician in Western Colorado. Pediatric practice located in Grand Junction, CO is currently looking to add additional qualified physicians to our practice. No C-Section or deliveries to attend, light on-call 1 out of every 3 (nurse takes 1st call), various employment options available.

Grand Junction is located 30 miles from the Utah border and in the heart of the Grand Valley. With the surrounding mountains and rivers, the outdoor life can’t be beat. The low cost of living and reasonably priced real estate makes Grand Junction a desirable place to live.

All qualified applicants are encouraged to apply. Please email your CV to dinopeds@yahoo.com or fax to (970) 242-6198. Feel free to contact Crystal at (970) 242-7060 with inquiries.

Practice Opportunity in Beautiful Colorado Springs

Excellent opportunity for a **BC/BE General Pediatrician** who wants to join a small practice. We are looking for Pediatricians who do not want a corporate style of Medicine but want to be in control of their practice and life. We are three Senior Pediatricians who practice a true Medical Home type of practice. The practice has been in existence for 50 years. The current members of the practice are ready to slow down, but do not want the practice to perish. We do see our own patients in the hospital. There are 3 newborn services and two pediatric ward services. There are also two NICUs and one PICU, staffed with appropriate Pediatric subspecialist. There are pediatric-subspecialists in all the most common subspecialties who live in the community and are available for support. Colorado Springs is located at the foot of Pikes Peak, one of 30 plus 14,000 peaks in Colorado. We have 360 days of sun a year. We are minutes from hiking and 2½ hours from the best skiing in the U.S. The town of Colorado Springs has a population of 500,000 with six military installations. If interested, send CV and contact information via email or fax.

Position: PT/FT Integrative Pediatrician /Out-patient only
Enthusiastic, seasoned BC Pediatrician wanted for a pediatric practice passionate about integrating complementary medicine and behavioral health in a general out-patient, pediatric practice firmly rooted in western medicine. Pediatric Associates of Durango is a “Medical Home” for infants, children and adolescents. Our goal is to ensure that our patients thrive physically, mentally and emotionally. To accomplish this, we call on our solid background in conventional medicine as well as exploring a multitude of alternative options that have proven to enhance the overall health of our patients. We, at Pediatric Associates of Durango, are passionate about setting a new standard for health that empowers children to reach their full potential! The clinic is in beautiful Durango, Colorado. The southwest, four corners area provides unparalleled opportunities to enjoy the outdoors whether it is skiing, camping, hiking, rock climbing, or mountain biking. Durango is also the home of Fort Lewis College ensuring a small town feel with a cosmopolitan outlook. If interested, please email pchau3@aol.com or sandyw@paofdurango.com.

Experienced CPNP-PC or BC/BE Pediatrician for Full-time no call position in Bayfield, CO.

Pediatric Partners of the Southwest (PPSW) is an innovative physician owned pediatric medical home practice in Durango, CO serving the Four Corners region. We are looking for a full time experienced CPNP or BC/BE pediatrician to join our newly opening satellite clinic in Bayfield, CO.

Our practice is privately owned, financially flourishing and having a blast with innovative system developments that allows physicians and advanced practice providers to rise to the top of their license and direct their practice environment. We are a close group of providers who love practicing full scope pediatrics and enjoy our time off with our families pursuing the many outdoor activities available.

We currently have eight board certified pediatricians, two pediatric physician's assistants and one pediatric nurse practitioner, and thirty other employees. Our financially thriving practice serves southwest Colorado and northern New Mexico and has been providing primary care to the children of the region since the group was formed eleven years ago, although many of our providers have been serving the community for longer.

PPSW provides basic preventative and comprehensive medical care for babies, children, adolescents and young adults from birth to age twenty-one. In addition, we provide: hospitalist services for all newborns and children at the regional medical center, behavioral health and developmental screening, care for minor acute illness and injuries, and an EMR supported medical home for children with more complex medical needs.

After-hours calls are triaged by a pediatric nurse triage system. Our main referral hospital is The Children’s Hospital of Colorado (CHCO). Our practice has a well-established Integrated Behavioral Health Program with four behavioral health counselors (BHC) who are clinic employees, Our PPSW BHC's are available for family support and care coordination of school, developmental, and behavioral issues.

PPSW has nurse and physician champions who coordinate population health for our Asthma, Diabetes, and Medically High Needs Medical Homes. Our community is supported by two child psychiatrists and three dental practices providing Medicaid dental coverage. We also have a PPSW Care Coordinator and community nurse medical navigator to assist with care coordination for medically fragile children and at-risk families.

We have a strong affiliation with Children's Hospital Colorado and serve as their southernmost telemedicine center. Visiting and tele-health pediatric specialists providing monthly outreach clinics include: pediatric cardiology, pediatric GI, pediatric urology, pediatric endocrinology, pediatric pulmonology and sleep medicine, pediatric diabetes care (Barbra Davis Center), pediatric ID, pediatric neurology, pediatric rehab, pediatric orthopedics, child psychiatry, multi-specialty clinic for Trisomy 21 patients, and pediatric genetics.

Durango is a friendly mountain community nestled in the San Juan Mountains with an in-town state college, abundant restaurants, great public schools (including Montessori and Project Based-learning), and a large community recreation center. We have more restaurants per capita than San Francisco and more coffee shops per capita than Seattle! PPSW a generous benefits package that includes vacation, HSA health insurance, 401K match, and profit sharing. Guaranteed first year salary with malpractice coverage and potential bonus.

No recruiters please.
Seeking full time pediatricians to join a 17 physician and 2 pediatric nurse practitioner, pediatric practice on the Western Slope of the Colorado Rockies. We provide high level primary and consultative pediatric care for the Grand Junction area (approximately 130,000 population) and the smaller communities within a 100+ mile radius. This is a sophisticated pediatric practice with excellent hospital, NICU and ER facilities a few blocks from our location. In this challenging setting, none of your clinical skills will atrophy!
