CAREFUL: THAT MAY BE HOT!

Always check the following before letting your children play on the playground:

- **Touch** the playground equipment to make sure the temperature is safe for your children.
- **Dress** your child in appropriate clothing & shoes for the playground.
- **Be aware** of metal and dark-colored plastics or rubber, in addition to asphalt and concrete surfaces.
- **Don’t assume** that the temperature of the equipment is safe even in cooler weather.
